

COLTS WILL PLAY YANKEES TO-DAY

If Health Authorities Hold Up Regular Team, Yannisans Will Go in Game.

ASHTON AND MUIR TO PITCH

Titman Is Injured and Will Not Play To-Day—Ison Will Be at Second.

Both the regular and Yannisans squads of the New York American League team will arrive in Richmond this morning, and one of them will play the Champion Colts at Broad Street Park this afternoon at 4 o'clock. Unless the city health authorities hold them up upon their arrival from Lynchburg the regulars will play the game.

In order to insure a game here Manager Stallings, of the New York team, canceled the game scheduled between the Yannisans and the Norfolk league team at Norfolk to-day, and ordered the Yannisans to come to Richmond this morning from Danville, where they stopped yesterday. The game at Danville was not played on account of rain.

Guy Titman injured. The champs will go into the game with a twisted line-up. Guy Titman cannot play because of an injury to the second finger of his left hand, which he sustained in practice yesterday.

A ball hit him on the end of the finger, tearing the flesh away to the bone. He probably will not get into the game again for several days. Joe Lohr, the new recruit, will be in right field and Eddie Wright will go to the left garden. Arthur Smith will be in center again.

Jimmy Ison will be seen at his old position at second for the first time this year. He has had but little practice, and still is a trifle stiff. Burke will do the receiving.

Manager Lipe has selected Jack Ashton, Harvey Muir and "Dutch" Revelle to do the pitching. Revelle may be saved to work with Waymack in the game to-morrow provided Ashton and Muir can go the distance to-day without overworking themselves. The absence of Busby and the poor condition of some of the other men handicaps the pitching staff just at this time.

Owner Bradley and Manager Lipe feel confident that the regular New York team will be permitted to play to-day. The Yannisans are a fast bunch, and will give a good exhibition. Jack Quinn, the former Richmond pitcher, is with the second team, and he probably will pitch the game to-morrow.

Good Practice Yesterday.

The Colts had a good workout yesterday. The squad, putting in two hours in the morning and two more in the afternoon at Broad Street Park. Taken all in all, the practice was the most satisfactory that has been had thus far. Some of the pitchers are a little slow in getting into form, and the fielders are having bad luck. The infield is going good, however, and should give a good account of itself in the three games with the Yankees.

Tom Messitt and "Scrap Iron" Cowan are working hard, and both should be in the condition by next week. Kiefl has shown great form, and is always willing to do any amount of work. Burke will catch his first full game to-day.

The batting order of the Colts will be as follows: Lohr, right field; Lipe,

Cold and Disagreeable Weather Causes Listless Game at Lynchburg.

[Special to The Times-Dispatch.]

LYNCHBURG, Va., April 8.—The New York Americans defeated the Lynchburg Virginia League team here to-day in a listless game—listless because of the cold and very disagreeable weather. The score, 9 to 3. Both teams hit the ball hard, but the Highlanders managed to hit behind wild pitches and around errors. The showing of the locals, however, was excellent.

WHITMER PITCHES STAR GAME

Visiting Twirler Has Two Bad Innings, and Is Hammered Freely.

[Special to The Times-Dispatch.]
CHARLOTTESVILLE, Va., April 8.—The Holy Cross team, which swamped Pennsylvania yesterday, fell an easy prey to Virginia to-day by a score of 9 to 3. Foley, the visiting twirler, had two bad innings, in which he was hammered quite freely by the Southerners, the latter getting a total of seven hits. With the bases full in the third, Cabaniss lined out a double, sending in Whitmer and Blakeney. Foley then passed Pickford and Hume, forcing in Captain Hoff. Pearson soaked a two-bagger to right field, scoring Cabaniss and Pickford.

Virginia got busy with the stick again in the sixth. Pearson and Whitmer opened with clean hits, and both tallied on Honaker's drive to center. Blakeney came forward with a single, sending Honaker across the plate and scoring himself later on Dabney's three-bagger.

Holy Cross scored two in the sixth. Jones was safe on Blakeney's fumble. Maloney sent a grounder between first and second. Whitmer passed Fryer. With the bases full, the giant first baseman, Carney, hit a screacher to right, sending in two runs. Maloney counted in the eighth on Fryer's grounder, which bounded over Honaker's head.

Pitches Fine Game.

Whitmer pitched the best game of his career. His slow ball proved very puzzling. He fanned eleven and allowed but four hits. He received excellent support, the few errors being on easy chances and with the bases unoccupied. Pickford made a spectacular running catch of Maloney's long drive to deep center in the fourth. Virginia plays Princeton to-morrow. To-day's score:

IN AUGUSTA PEST HOUSE

HAL CHASE, New York Yankees' Famous First Baseman, Has Smallpox.

DETAIN YANKEES ON ARRIVAL HERE

(Continued from Page One—Column 5.)
noon, but they will not play anywhere else for some time to come.

Reserve Quarters at Murphy's.

Acting upon advice from Manager Stallings, Perry Lipe, manager of the Richmond team, last night engaged rooms at Murphy's Hotel for both the first and second squadrons and the "camp followers," numbering in all about thirty men.

The second team will arrive from Danville at 7 o'clock this morning, and will go to Murphy's Hotel. Dr. Levy said last night that he was satisfied that this team had not been exposed to the disease, and that he would permit it to enter the city without subjecting the players to an examination. New York is scheduled to open the American League series with Washington Monday in Washington. Even if the city health officers permit the first team to play here, the men will be inspected by the Federal quarantine officers at Washington before they are allowed to enter that city.

Illness Diagnosed Monday.

AUGUSTA, GA., April 8.—Hal Chase, first baseman of the New York Americans, is at the Detention Hospital here undergoing treatment for smallpox. His physicians so diagnosed his illness Monday. His case was reported to the Augusta Board of Health, and the patient was ordered to the Smallpox Hospital. He has the mildest form of smallpox and is responding well to treatment. He will be detained seventeen days longer. His wife wires that she is on her way here from Jersey City. She will not be permitted to see the patient. He is in jolly spirits, and has the run of the big hospital. He is the only patient there.

Sunday half the Stallings club went to Savannah and half came to Augusta from Macon to play practice games. Chase was with the Augusta visitors. He complained of being ill Monday night, and Manager Stallings, who arrived Monday morning, was summoned to his room. Stallings calling in a doctor. The doctor pronounced the illness smallpox.

Both Teams With Him.

The American League men who played in Augusta were with Chase in Macon, on the train and in the hotel here. The second team was with him in Macon, where the spring practice of the club has been had. The physician called in by Stallings is Dr. James B. Morgan, former president of the Augusta Board of Health. He immediately quarantined Chase. He also informed Stallings that the smallpox had not at that time reached the contagious state and that there was absolutely no danger of contamination to the other men. However, every man was stripped and vaccinated, and every article of clothing and everything in the hotel was fumigated by the officers of the Board of Health.

Caught Smallpox from Bellboys.

MACON, GA., April 8.—Hal Chase, of the New York Americans, contracted smallpox here by coming in contact with two bellboys at the hotel where the team was stopping. These boys are now in the contagion hospital.

Catcher Eddie Barrett, of New York, and pitcher William Brunner, of Guilford, Miss., members of the Macon club, of the South Atlantic League, have been sent to the hospital, suffering with clearly defined cases of the disease. Brunner is very ill.

Held Up at Lynchburg.

[Special to The Times-Dispatch.]
LYNCHBURG, Va., April 8.—The New York Highlanders and newspaper men accompanying them, twenty-two in number, were held at the railway station this morning from 1:30 o'clock for two hours, after disregarding a health order not to stop here because of the scare over First Baseman Hal Chase being detained at Augusta with smallpox. After the company left the train the conductor refused to permit them to enter again, and while Manager Stallings argued with the health officer the train pulled out. Then for two hours the men were held under the platform shed, pending Stallings's effort to be permitted to keep his engagement here to-day.

Threats Subside Players.

In the meantime the men, tired and suffering from their vaccinations, grew

restless under restraint, and would have broken away but for the threat of being locked up or placed in quarantine.

After much argument and telegraphing Manager Stallings convinced the authorities that his visit here could do no harm, and the company was admitted to the hotel.

It was an experience probably never before gone through by a baseball team. The Highlanders are scheduled to play to-morrow at Richmond, and they look for trouble there with the Health Department.

Washington on Guard.

WASHINGTON, April 8.—"If it is found that there is the slightest danger of contagion," said Health Officer Woodward, "I will take immediate steps to prevent the team from coming to this city. Should they get this far, and it is found they have been in range of infection from Chase, they will be quarantined here."

YALE GIVES MARY JANE NO TROUBLE

Laxness and Error All That Prevents Shut-Out for Norfolk.

[Special to The Times-Dispatch.]

NORFOLK, Va., April 8.—Unable to find Temple or Oley when hits counted for runs, Yale was easy for Norfolk this afternoon, the former losing by the score of 3 to 1. But for laxness and an error by Jackson in center field, it would have been a shut-out for the Virginia League team.

Under a cloudy sky and with the atmosphere chilly and disagreeable, Yale failed to field up to its usual standard behind Merritt, while he was a little slow in getting into form. The right time to count in the run column. As the game progressed and he warmed up, however, there was a decided improvement in his twirling.

At the bat and on the bases the Crew showed up fairly well, with indications of improvement. Lovell led in the stickwork with two singles to his credit. Bonner, Seltz, Chandler, Maloney and Busch got in the game for singles each. But two clean hits were registered by Yale, and these were secured by Badger and Murphy. Maloney's hit was an infield fly that either Chandler or Oley would have gotten, but there was confusion, and it fell safe.

McGuire's School won its second game in the Interpreparatory School League baseball series yesterday afternoon at Broad Street Park, defeating the Richmond Academy nine by the score of 7 to 2. The heavy batting of the winners was the best seen so far among the school teams of the city, they landing on Horner, the Academy flinger, for twelve clean hits, four of which were triples. The Academy players fielded in poor form throughout the game, the outfielders letting several easy ones get through them, which aided the McGuire's men in scoring.

Hulcher, the McGuire's twirler, pitched a beautiful game and retired many of the opposing batsmen with ease, only three scratch hits being made off his delivery. The fielding of the Red and Black aggregation was of the first class, not an error marring the score sheet for them.

In the first inning three McGuire's runners crossed the plate as the result of four clean hits and an overthrow to the opposing catcher. Again in the fourth and sixth innings, the ball was hammered out with a vengeance, bringing in four more tallies.

The Academy team scored its two runs in the fourth, when Cason received a hot one in the ribs, stole second, went to third on Vaughan's single and scored with the latter player on Patton's drive through the infield.

PORTSMOUTH GETS ANOTHER MANAGER

Waller Unable to Take Job, and Wolfe Succeeds Him.

[Special to The Times-Dispatch.]

NORFOLK, Va., April 8.—Maurice Wolfe, a left-handed slab artist from the Tri-State League, is to be manager-captain of the Portsmouth baseball club, and Jesse Whelan, a crack catcher from the same league, will do a portion of the backstop work here this season. These changes were announced by Mr. Waller yesterday afternoon shortly before leaving for Washington.

Mr. Waller still retains his interest in the club and will be a frequent visitor to this city to look after the team.

The club is now working in good shape, and one of the strongest teams that ever represented this city will be placed in the field this season.

Catcher Whelan and Outfielder Char. Turner will arrive in town this afternoon or to-morrow morning. Pitcher Hamilton will arrive in town to-morrow, and has been working for several weeks, and should be in good condition.

The Elmira club, of the New York State League, will arrive in town to-morrow morning, and will play the Truckers on Friday and Saturday afternoon, the games being called at 3:30 o'clock.

Massachusetts Found Lewis Whenever Hits Were Needed.

[Special to The Times-Dispatch.]

WOODSTOCK, Va., April 8.—Massachusetts Academy defeated the Gettysburg Preparatory School here to-day by a score of 3 to 6. Castle pitched a fine game, except in the sixth inning, when two bases on balls, three hits and several errors netted the Gettysburg team five runs. The Massachusetts Academy boys hit Lewis when necessary. Castle struck out seven and passed three, and Lewis struck out four and passed only one. Each side made six singles, but for Massachusetts Academy, Harrison made a three-sacker. Fryer a two-base hit and Munson made two two-base hits. Castle did not allow a hit until the fifth inning. Umpire, Burgess.
